

AGREEMENT RELATING TO THE INTERNATIONAL TELECOMMUNICATIONS SATELLITE ORGANIZATION "INTELSAT" (with annexes and Operating Agreement) (1971)

ENTERED INTO FORCE: 12 Feb 1973

PREAMBLE

The States Parties to this Agreement,

Considering the principle set forth in Resolution 1721 (XVI) of the General Assembly of the United Nations that communication by means of satellites should be available to the nations of the world as soon as practicable on a global and nondiscriminatory basis,

Considering the relevant provisions of the Treaty on Principles Governing the Activities of States in the Exploration and Use of Outer Space, Including the Moon and Other Celestial Bodies, and in particular Article I, which states that outer space shall be used for the benefit and in the interests of all countries,

Noting that pursuant to the Agreement Establishing Interim Arrangements for a Global Commercial Communications Satellite System and the related Special Agreement, a global commercial telecommunications satellite system has been established,

Desiring to continue the development of this telecommunications satellite system with the aim of achieving a single global commercial telecommunications satellite system as part of an improved global telecommunications network which will provide expanded telecommunications services to all areas of the world and which will contribute to world peace and understanding,

Determined, to this end, to provide, for the benefit of all mankind, through the most advanced technology available, the most efficient and economic facilities possible consistent with the best and most equitable use of the radio frequency spectrum and of orbital space,

Believing that satellite telecommunications should be organized in such a way as to permit all peoples to have access to the global satellite system and those States members of the International Telecommunication Union so wishing to invest in the system with consequent participation in the design, development, construction, including the provision of equipment, establishment, operation, maintenance and ownership of the system,

(ESTABLISHMENT OF INTELSAT)**

(a) With full regard for the principles set forth in the Preamble to this Agreement, the Parties hereby establish the international telecommunications satellite organization "INTELSAT", the main purpose of which is to continue and carry forward on a definitive basis the design, development, construction, establishment, operation and maintenance of the space segment of the global commercial telecommunications satellite system as established under the provisions of the Interim Agreement and the Special Agreement.

(b) Each State Party shall sign, or shall designate a telecom-munications entity, public or private, to sign, the Operating Agreement which shall be concluded in conformity with the provisions of this Agreement and which shall be opened for signature at the same time as this Agreement. Relations between any telecommunications entity, acting as Signatory, and the Party which has designated it shall be governed by applicable domestic law

(c) Telecommunications administrations and entities may, subject to applicable domestic law, negotiate and enter directly into appropriate traffic agreements with respect to their use of channels of telecom-munications provided pursuant to this Agreement and the Operating Agreement, as well as services to be furnished to the public, facilities, divisions of revenue and related business arrangements.

**Article III
(SCOPE OF INTELSAT ACTIVITIES)**

(a) In continuing and carrying forward on a definitive basis activities concerning the space segment of the global commercial telecommunications satellite system referred to in paragraph (a) of Article II of this Agreement, INTELSAT shall have as its prime objective the provision, on a commercial basis, of the space segment required for international public telecommunications services of high quality and reliability to be available on a non-discriminatory basis to all areas of the world.

(b) The following shall be considered on the same basis as international public telecommunications services:

(i) Domestic public telecommunications services between areas separated by areas not under the jurisdiction of the State concerned, or between areas separated by the high seas; and

(ii) Domestic public telecommunications services between areas which are not linked by any terrestrial wideband facilities and which are separated by natural barriers of such an exceptional nature that they impede the viable establishment of terrestrial wideband facilities between such areas, provided that the Meeting of Signatories, having regard to advice tendered by the Board of Governors, has given the appropriate approval in advance.

(c) The INTELSAT space segment established to meet the prime objective shall also be made available for other domestic public telecommunications services on a non-discriminatory basis to the extent that the ability of INTELSAT to achieve its prime objective is not impaired.

(d) The INTELSAT space segment may also, on request and under appropriate terms and conditions, be utilized for the purpose of specialized telecommunications services, either international or domestic, other than for military purposes, provided that

(i) The provision of public telecommunications services is not unfavorably affected thereby; and

(ii) The arrangements are otherwise acceptable from a technical and economic point of view.

(e) INTELSAT may, on request and under appropriate terms and conditions, provide satellites or associated facilities separate from the INTELSAT space segment for:

(i) Domestic public telecommunications services in territories under the jurisdiction of one or more Parties;

(ii) International public telecommunications services between or among territories under the jurisdiction of two or more Parties;

(iii) Specialized telecommunications services, other than for military purposes; provided that the efficient and economic operation of the INTELSAT space segment is not unfavorably affected in any way.

(f) The utilization of the INTELSAT space segment for specialized telecommunications services pursuant to paragraph (d) of this Article, and the provision of satellites or associated facilities separate from the INTELSAT space segment pursuant to paragraph (e) of this Article, shall be covered by contracts entered into between INTELSAT and the applicants concerned. The utilization of INTELSAT space segment facilities for specialized telecommunications services pursuant to paragraph (d) of this Article, and the provision of satellites or associated facilities separate from the INTELSAT space segment for specialized telecommunications services pursuant to subparagraph (e) (iii) of this Article, shall be in accordance with appropriate authorizations, at the planning stage, of the Assembly of Parties pursuant to subparagraph (c) (iv) of Article VII of this Agreement. Where the utilization of INTELSAT space segment facilities for specialized telecommunications services would involve additional costs which result from required modifications to existing or planned INTELSAT space segment facilities, or where the provision of satellites or associated facilities separate from the INTELSAT space segment is sought for specialized telecommunications services as provided for in subparagraph (e) (iii) of this Article, authorization pursuant to subparagraph (c) (iv) of Article VII of this Agreement shall be sought from the Assembly of Parties as soon as the Board of Governors is in a position to advise the Assembly of Parties in detail regarding the estimated cost of the proposal, the benefits to be derived, the technical or other problems involved and the probable effects on present or foreseeable INTELSAT services. Such authorization shall be obtained before the procurement process for the facility or facilities involved is initiated. Before making such authorizations, the Assembly of Parties, in appropriate cases, shall consult or ensure that there has been consultation by INTELSAT with Specialized Agencies of the United Nations directly concerned with the provision of the specialized telecommunications services in question.

Article IV. (JURIDICAL PERSONALITY)

(a) INTELSAT shall possess juridical personality. It shall enjoy the full capacity necessary for the exercise of its functions and the achievement of its purposes, including the capacity to

- (i) Conclude agreements with States or international organizations;
- (ii) Contract;
- (iii) Acquire and dispose of property, and
- (iv) Be a party to legal proceedings.

(b) Each Party shall take such action as is necessary within its jurisdiction for the purpose of making effective in terms of its own law the provisions of this Article.

Article V. (FINANCIAL PRINCIPLES)

(a) INTELSAT shall be the owner of the INTELSAT space segment and of all other property acquired by INTELSAT. The financial interest in INTELSAT of each Signatory shall be equal to the amount arrived at by the application of its investment share to the valuation effected pursuant to Article 7 of the Operating Agreement.

(b) Each Signatory shall have an investment share corresponding to its percentage of all utilization of the INTELSAT space segment by all Signatories as determined in accordance with the provisions of the Operating Agreement. However, no Signatory, even if its utilization of the INTELSAT space segment is nil, shall have an investment share less than the minimum established in the Operating Agreement.

(c) Each Signatory shall contribute to the capital requirements of INTELSAT, and shall receive capital repayment and compensation for use of capital in accordance with the provisions of the Operating Agreement.

(d) All users of the INTELSAT space segment shall pay utilization charges determined in accordance with the provisions of this Agreement and the Operating Agreement. The rates of space segment utilization charge for each type of utilization shall be the same for all applicants for space segment capacity for that type of utilization.

(e) The separate satellites and associated facilities referred to in paragraph (e) of Article III of this Agreement may be financed and owned by INTELSAT as part of the INTELSAT space segment upon the unanimous approval of all the Signatories. If such approval is withheld, they shall be separate from the INTELSAT space segment and shall be financed and owned by those requesting them. In this case the financial terms and conditions set by INTELSAT shall be such as to cover fully the costs directly resulting from the design, development, construction and provision of such separate satellites and associated facilities as well as an adequate part of the general and administrative costs of INTELSAT.

(g) Each Signatory shall meet its own costs of representation at meetings of the Meeting of Signatories. Expenses of meetings of the Meeting of Signatories shall be regarded as an administrative cost of INTELSAT for the purpose of Article 8 of the Operating Agreement.

Article IX. (BOARD OF GOVERNORS: COMPOSITION AND VOTING)

(a) The Board of Governors shall be composed of:

(i) One Governor representing each Signatory whose investment share is not less than the minimum investment share as determined in accordance with paragraph (b) of this Article;

(ii) One Governor representing each group of any two or more Signatories not represented pursuant to subparagraph (i) of this paragraph whose combined investment share is not less than the minimum investment share as determined in accordance with paragraph (b) of this Article and which have agreed to be so represented;

(iii) One Governor representing any group of at least five Signatories not represented pursuant to subparagraph (i) or (ii) of this paragraph from any one of the regions defined

by the Plenipotentiary Conference of the International Telecommunication Union, held at Montreux in 1965, regardless of the total investment shares held by the Signatories comprising the group. However, the number of Governors under this category shall not exceed two for any region defined by the Union or five for all such regions.

(b) (i) During the period between the entry into force of this Agreement and the first meeting of the Meeting of Signatories, the minimum investment share that will entitle a Signatory or group of Signatories to be represented on the Board of Governors shall be equal to the investment share of the Signatory holding position thirteen in the list of the descending order of size of initial investment shares of all the Signatories

(ii) Subsequent to the period mentioned in subparagraph (i) of this paragraph, the Meeting of Signatories shall determine annually the minimum investment share that will entitle a Signatory or group of Signatories to be represented on the Board of Governors. For this purpose, the Meeting of Signatories shall be guided by the desirability of the number of Governors being approximately twenty, excluding any selected pursuant to subparagraph (a) (iii) of this Article.

(iii) For the purpose of making the determinations referred to in subparagraph (ii) of this paragraph, the Meeting of Signatories shall fix a minimum investment share according to the following provisions:

(A) If the Board of Governors, at the time the determination is made, is composed of twenty, twenty-one or twenty-two Governors, the Meeting of Signatories shall fix a minimum investment share equal to the investment share of the Signatory which, in the list in effect at that time, holds the same position held in the list in effect when the previous determination was made, by the Signatory selected on that occasion,

(B) If the Board of Governors, at the time the determination is made, is composed of more than twenty-two Governors, the Meeting of Signatories shall fix a minimum investment share equal to the investment share of a Signatory which, in the list in effect at that time, holds a position above the one held in the list in effect when the previous determination was made, by the Signatory selected on that occasion,

(C) If the Board of Governors, at the time the determination is made, is composed of less than twenty Governors, the Meeting of Signatories shall fix a minimum investment share equal to the investment share of a Signatory which, in the list in effect at that time, holds a position below the one held in the list in effect when the previous determination was made, by the Signatory selected on that occasion.

(iv) If, by applying the ranking method set forth in subparagraph (iii) (B) of this paragraph, the number of Governors would be less than twenty, or, by applying that set forth in subparagraph (iii) (C) of this paragraph, would be more than twenty-two, the Meeting of Signatories shall determine a minimum investment share that will better ensure that there will be twenty Governors.

(v) For the purpose of the provisions of subparagraphs (iii) and (iv) of this paragraph, the Governors selected in accordance with subparagraph (a) (iii) of this Article shall not be taken into consideration.

(vi) For the purpose of the provisions of this paragraph, investment shares determined pursuant to subparagraph (c) (ii) of Article 6 of the Operating Agreement shall take effect from the first day of the ordinary meeting of the Meeting of Signatories following such determination.

(c) Whenever a Signatory or group of Signatories fulfills the requirements for representation pursuant to subparagraph (a) (i), (ii) or (iii) of this Article, it shall be entitled to be represented on the Board of Governors. In the case of any group of Signatories referred to in subparagraph (a) (iii) of this Article, such entitlement shall become effective upon receipt by the executive organ of a written request from such group, provided, however, that the number of such groups represented on the Board of Governors has not, at the time of receipt of any such written request, reached the applicable limitations prescribed in subparagraph (a) (iii) of this Article. If at the time of receipt of any such written request representation on the Board of Governors pursuant to subparagraph (a) (iii) of this Article has reached the applicable limitations prescribed therein, the group of Signatories may submit its request to the next ordinary meeting of the Meeting of Signatories for a determination pursuant to paragraph (d) of this Article.

(d) Upon the request of any group or groups of Signatories referred to in subparagraph (a) (iii) of this Article, the Meeting of Signatories shall annually determine which of these groups shall be or continue to be represented on the Board of Governors. For this purpose, if such groups exceed two for any one region defined by the International Telecommunication Union, or five for all such regions, the Meeting of Signatories shall first select the group which has the highest combined investment share from each such region from which there has been submitted a written request pursuant to paragraph (c) of this Article. If the number of groups so selected is less than five, the remaining groups which are to be represented shall be selected in decreasing order of the combined investment shares of each group, without exceeding the applicable limitations prescribed in subparagraph (a) (iii) of this Article.

(e) In order to ensure continuity within the Board of Governors, every Signatory or group of Signatories represented pursuant to subparagraph (a) (i), (ii) or (iii) of this Article shall remain represented, either individually or as part of such group, until the next determination made in accordance with paragraph (b) or (d) of this Article, regardless of the changes that may occur in its or their investment shares as the result of any adjustment of investment shares. However, representation as part of a group constituted pursuant to subparagraph (a) (ii) or (iii) of this Article shall cease if the withdrawal from the group of one or more Signatories would make the group ineligible to be represented on the Board of Governors pursuant to this Article.

(f) Subject to the provisions of paragraph (g) of this Article, each Governor shall have a voting participation equal to that part of the investment share of the Signatory, or group of Signatories, he represents, which is derived from the utilization of the INTELSAT space segment for services of the following types:

(i) International public telecommunications services;

(ii) Domestic public telecommunications services between areas separated by areas not under the jurisdiction of the State concerned, or between areas separated by the high seas; and

(iii) Domestic public telecommunications services between areas which are not linked by any terrestrial wide-band facilities and which are separated by natural barriers of such an exceptional nature that they impede the viable establishment of terrestrial wide-band facilities between such areas, provided that the Meeting of Signatories has given in advance the appropriate approval required by subparagraph (b) (ii) of Article III of this Agreement.

(g) For the purposes of paragraph (f) of this Article, the following arrangements shall apply.

(i) In the case of a Signatory which is granted a lesser investment share in accordance with the provisions of paragraph (d) of Article 6 of the Operating Agreement, the reduction shall apply proportionately to all types of its utilization;

(ii) In the case of a Signatory which is granted a greater investment share in accordance with the provisions of paragraph (d) of Article 6 of the Operating Agreement, the increase shall apply proportionately to all types of its utilization,

(iii) In the case of a Signatory which has an investment share of 0.05 per cent in accordance with the provisions of paragraph (h) of Article 6 of the Operating Agreement and which forms part of a group for the purpose of representation in the Board of Governors pursuant to the provisions of subparagraph (a) (ii) or (a) (iii) of this Article, its investment share shall be regarded as being derived from utilization of the INTELSAT space segment for services of the types listed in paragraph C- of this Article; and

(iv) No Governor may cast more than forty per cent of the total voting participation of all Signatories and groups of Signatories represented on the Board of Governors. To the extent that the voting participation of any Governor exceeds forty per cent of such total voting participation, the excess shall be distributed equally to the other Governors on the Board of Governors.

(h) For the purposes of composition of the Board of Governors and calculation of the voting participation of Governors, the investment shares determined pursuant to subparagraph (c) (ii) of Article 6 of the Operating Agreement shall take effect from the first day of the ordinary meeting of the Meeting of Signatories following such determination.

(i) A quorum for any meeting of the Board of Governors shall consist of either a majority of the Board of Governors, which majority shall have at least two-thirds of the total voting participation of all Signatories and groups of Signatories represented on the Board of Governors, or else the total number constituting the Board of Governors minus three, regardless of the amount of voting participation they represent.

(j) The Board of Governors shall endeavor to take decisions unanimously. However, if it fails to reach unanimous agreement, it shall take decisions:

(i) On all substantive questions, either by an affirmative vote cast by at least four Governors having at least two-thirds of the total voting participation of all Signatories and groups of Signatories represented on the Board of Governors taking into account the distribution of the excess referred to in subparagraph (g) (iv) of this Article, or else by an affirmative vote cast by at least the total number constituting the Board of Governors minus three, regardless of the amount of voting participation they represent;

(ii) On all procedural questions, by an affirmative vote representing a simple majority of Governors present and voting, each having one vote.

(k) Disputes whether a specific question is procedural or substantive shall be decided by the Chairman of the Board of Governors. The decision of the Chairman may be overruled by a two-thirds majority of the Governors present and voting, each having one vote.

(l) The Board of Governors, if it deems appropriate, may create advisory committees to assist it in the performance of its responsibilities

(m) The Board of Governors shall adopt its own rules of procedure, which shall include the method of election of a Chairman and such other officers as may be required. Notwithstanding the provisions of paragraph (j) of this Article, such rules may provide for any method of voting in the election of officers which the Board of Governors deems appropriate.

(n) The first meeting of the Board of Governors shall be convened in accordance with paragraph 2 of the Annex to the Operating Agreement. The Board of Governors shall meet as often as is necessary but at least four times a year.

**Article X.

Article 9. (a) Any Party whose designated Signatory is a disputant in a case shall have the right to intervene and become an additional disputant in the case. Intervention shall be made by giving notice thereof in writing to the tribunal and to the other disputants.

(b) Any other Party, any Signatory or INTELSAT, if it considers that it has a substantial interest in the decision of the case, may petition the tribunal for permission to intervene and become an additional disputant in the case. Article 10. Either at the request of a disputant, or upon its own initiative, the tribunal may appoint such experts as it deems necessary to assist it.

Article 11. Each Party, each Signatory and INTELSAT shall provide all information determined by the tribunal, either at the request of a disputant or upon its own initiative, to be required for the handling and determination of the dispute.

(c) In the event of a dispute as to the meaning or scope of its decision, the tribunal shall construe it at the request of any disputant.

Unless the tribunal determines otherwise because of the particular circumstances of the case, the expenses of the tribunal, including the remuneration of the members of the tribunal, shall be borne in equal shares by each side. Where a side consists of more than one disputant, the share of that side shall be apportioned by the tribunal among the disputants on that side. Where INTELSAT is a disputant, its expenses associated with the arbitration shall be regarded as an administrative cost of INTELSAT for the purpose of Article 8 of the Operating Agreement.

However, if the number of days for which charges were payable by a Signatory for utilization during such six-month period was less than ninety days, such charges shall not be taken into account in determining investment shares.

(c) Investment shares shall be determined effective as of:

(i) The date of entry into force of this Operating Agreement;

(ii) The first day of March of each year, provided that if this Operating Agreement enters into force less than six months before the succeeding first day of March, there shall be no determination under this subparagraph effective as of that date;

(iii) The date of entry into force of this Operating Agreement for a new Signatory;

(iv) The effective date of withdrawal of a Signatory from INTELSAT; and

(v) The date of request by a Signatory for whom INTELSAT space segment utilization charges have, for the first time, become payable by that Signatory for utilization through its own earth station, provided that such date of request is not less than ninety days following the date the space segment utilization charges became payable

(d) (i) Any Signatory may request that, if any determination of investment shares made pursuant to paragraph (c) of this Article would result in its investment share exceeding its quota or investment share, as the case may be, held immediately prior to such determination, it be allocated a lesser investment share, provided that such investment share shall not be less than its final quota held pursuant to the Special Agreement or than its investment share held immediately prior to the determination, as the case may be. Such requests shall be deposited with INTELSAT and shall indicate the reduced investment share desired. INTELSAT shall give prompt notification of such requests to all Signatories, and such requests shall be honored to the extent that other Signatories accept greater investment shares.

(ii) Any Signatory may notify INTELSAT that it is prepared to accept an increase in its investment share in order to accommodate requests for lesser investment shares made pursuant to subparagraph (i) of this paragraph and up to what limit, if any. Subject to such limits, the total amount of reduction in investment shares requested pursuant to subparagraph (i) of this paragraph shall be distributed among the Signatories which have accepted, pursuant to this subparagraph, greater investment shares, in proportion to the investment shares held by them immediately prior to the applicable adjustment

(iii) If reductions requested pursuant to subparagraph (i) of this paragraph cannot be wholly accommodated among the Signatories which have accepted greater investment shares pursuant to subparagraph (ii) of this paragraph, the total amount of accepted increases shall be allocated, up to the limits indicated by each Signatory accepting a greater investment share pursuant to this paragraph, as reductions to those Signatories which requested lesser investment shares pursuant to subparagraph (i) of this paragraph, in proportion to the reductions requested by them under subparagraph (i) of this paragraph.

(iv) Any Signatory which has requested a lesser or accepted a greater investment share pursuant to this paragraph shall be deemed to have accepted the decrease or increase of its investment share, as determined pursuant to this paragraph, until the next determination of investment shares pursuant to subparagraph (c) (ii) of this Article.

(v) The Board of Governors shall establish appropriate procedures with regard to notification of requests by Signatories for lesser investment shares made pursuant to subparagraph (i) of this paragraph, and notification by Signatories which are prepared to accept increases in their investment shares pursuant to subparagraph (ii) of this paragraph.

(e) For the purposes of composition of the Board of Governors and calculation of the voting participation of Governors, the investment shares determined pursuant to subparagraph (c) (ii) of this Article shall take effect from the first day of the ordinary meeting of the Meeting of Signatories following such determination.

(f) To the extent that an investment share is determined pursuant to subparagraph (c) (iii) or (c) (v) or paragraph (h) of this Article, and to the extent necessitated by withdrawal of a Signatory, the investment shares of all other Signatories shall be adjusted in the proportion that their respective investment shares, held prior to this adjustment, bear to each other. On the withdrawal of a Signatory, investment shares of 0.05 per cent determined in accordance with the provisions of paragraph (h) of this Article shall not be increased.

(g) Notification of the results of each determination of investment shares, and of the effective date of such determination shall be promptly furnished to all Signatories by INTELSAT.

(h) Notwithstanding any provision of this Article, no Signatory shall have an investment share of less than 0.05 per cent of the total investment shares.

Article 7. (FINANCIAL ADJUSTMENTS BETWEEN SIGNATORIES)

(a) On entry into force of this Operating Agreement and thereafter at each determination of investment shares, financial adjustments shall be made between Signatories, through INTELSAT, on the basis of a valuation effected pursuant to paragraph (b) of this Article. The amounts of such financial adjustments shall be determined with respect to each Signatory by applying to such valuation:

(i) On entry into force of this Operating Agreement, the difference, if any, between the final quota of each Signatory held pursuant to the Special Agreement and its initial investment share determined pursuant to Article 6 of this Operating Agreement;

(ii) At each subsequent determination of investment shares, the difference, if any, between the new investment share of each Signatory and its investment share prior to such determination.

(b) The valuation referred to in paragraph (a) of this Article shall be effected as follows:

(i) Deduct from the original cost of all assets as recorded in INTELSAT accounts as of the date of adjustment, including any capitalized return or capitalized expenses, the sum of:

(A) The accumulated amortization as recorded in INTELSAT accounts as of the date of adjustment, and

(B) Loans and other accounts payable by INTELSAT as of the date of adjustment;

(ii) Adjust the results obtained pursuant to subparagraph (i) of this paragraph by:

(A) Adding or deducting, for the purpose of the financial adjustments on entry into force of this Operating Agreement, an amount representing any deficiency or excess, respectively, in the payment by INTELSAT of compensation for use of capital relative to the cumulative amount due pursuant to the Special Agreement, at the rate or rates of compensation for use of capital in effect during the periods in which the relevant rates were applicable, as established by the Interim Communications Satellite Committee pursuant to Article 9 of the Special Agreement. For the purpose of assessing the amount representing any deficiency or excess in payment, compensation due shall be calculated on a monthly basis and relate to the net amount of the elements described in subparagraph (i) of this paragraph;

(B) Adding or deducting, for the purpose of each subsequent financial adjustment a further amount representing any deficiency or excess, respectively, in the payment by INTELSAT of compensation for use of capital from the time of entry into force of this Operating Agreement to the effective date of valuation, relative to the cumulative amount due pursuant to this Operating Agreement, at the rate or rates of compensation for use of capital in effect during the periods in which the relevant rates were applicable, as established by the Board of Governors pursuant to Article 8 of this Operating Agreement. For the purpose of assessing the amount representing any deficiency or excess in payment, compensation due shall be calculated on a monthly basis and relate to the net amount of the elements described in subparagraph (i) of this paragraph.

(c) Payments due from and to Signatories pursuant to the provisions of this Article shall be effected by a date designated by the Board of Governors. Interest at a rate to be determined by the Board of Governors shall be added to any amount unpaid after that date, except that, with respect to payments due pursuant to subparagraph (a) (i) of this Article, interest shall be added from the date of entry into force of this Operating Agreement. The rate of interest referred to in this paragraph shall be equal to the rate of interest determined by the Board of Governors pursuant to paragraph (d) of Article 4 of this Operating Agreement

Article 8. (UTILIZATION CHARGES AND REVENUES)

(a) The Board of Governors shall specify the units of measurement of INTELSAT space segment utilization relative to various types of utilization and, guided by such general rules as may be established by the Meeting of Signatories pursuant to Article VIII of the Agreement, shall establish INTELSAT space segment utilization charges. Such charges

shall have the objective of covering the operating, maintenance and administrative costs of INTELSAT, the provision of such operating funds as the Board of Governors may determine to be necessary, the amortization of investment made by Signatories in INTELSAT and compensation for use of the capital of Signatories.

(b) For the utilization of capacity available for the purposes of specialized telecommunications services, pursuant to paragraph (d) of Article III of the Agreement, the Board of Governors shall establish the charge to be paid for the utilization of such services. In doing so it shall comply with the provisions of the Agreement and this Operating Agreement and in particular paragraph (a) of this Article, and shall take into consideration the costs associated with the provision of the specialized telecommunications services as well as an adequate part of the general and administrative costs of INTELSAT. In the case of separate satellites or associated facilities financed by INTELSAT pursuant to paragraph (e) of Article V of the Agreement, the Board of Governors shall establish the charges to be paid for the utilization of such services. In doing so, it shall comply with the provisions of the Agreement and this Operating Agreement and in particular paragraph (a) of this Article, so as to cover fully the costs directly resulting from the design, development, construction, and provision of such separate satellites and associated facilities as well as an adequate part of the general and administrative costs of INTELSAT.

(c) In determining the rate of compensation for use of the capital of Signatories, the Board of Governors shall include an allowance for the risks associated with investment in INTELSAT and, taking into account such allowance, shall fix the rate as close as possible to the cost of money in the world markets.

(d) The Board of Governors shall institute any appropriate sanctions in cases where payments of utilization charges shall have been in default for three months or longer.

(e) The revenues earned by INTELSAT shall be applied, to the extent that such revenues allow, in the following order of priority:

- (i) To meet operating, maintenance and administrative costs,
 - (ii) To provide such operating funds as the Board of Governors may determine to be necessary;
 - (iii) To pay to Signatories, in proportion to their respective investment shares, sums representing a repayment of capital in the amount of the provisions for amortization established by the Board of Governors and recorded in the INTELSAT accounts;
 - (iv) To pay to a Signatory which has withdrawn from INTELSAT such sums as may be due to it pursuant to Article 21 of this Operating Agreement; and
 - (v) To pay to Signatories, in proportion to their respective investment shares, the available balance towards compensation for use of capital
- (f) To the extent, if any, that the revenues earned by INTELSAT are insufficient to meet INTELSAT operating, maintenance and administrative costs, the Board of Governors may decide to meet the deficiency by using INTELSAT operating funds, by overdraft arrangements, by raising a loan, by requiring Signatories to make capital contributions in proportion to their respective investment shares or by any combination of such measures.

Article 9.

(TRANSFER OF FUNDS)

(a) Settlement of accounts between Signatories and INTELSAT in respect of financial transactions pursuant to Articles 4, 7 and 8 of this Operating Agreement shall be so arranged as to minimize both transfers of funds between Signatories and INTELSAT and the amount of funds held by INTELSAT over and above any operating funds determined by the Board of Governors to be necessary.

(b) All payments between Signatories and INTELSAT pursuant to this Operating Agreement shall be made in U.S. dollars or in currency freely convertible into U.S. dollars.

Article 10. (OVERDRAFTS AND LOANS)

(a) For the purpose of meeting financial deficiencies, pending the receipt of adequate INTELSAT revenues or of capital contributions by Signatories pursuant to this Operating Agreement, INTELSAT may, with the approval of the Board of Governors, enter into overdraft arrangements.

(b) Under exceptional circumstances and for the purpose of financing any activity undertaken by INTELSAT, or of meeting any liability incurred by INTELSAT, pursuant to paragraph (a), (b) or (c) of Article III of the Agreement or to this Operating Agreement, INTELSAT may raise loans upon decision of the Board of Governors. The outstanding amounts of such loans shall be considered as contractual capital commitments for the purpose of Article 5 of this Operating Agreement. The Board of Governors shall, in accordance with subparagraph (a) (xiv) of Article X of the Agreement, report fully to the Meeting of Signatories with respect to the reasons for its decision to raise any loan and the terms and conditions under which such a loan was raised.

Article 11. (EXCLUDED COSTS)

The following shall not form part of the costs of INTELSAT:

- (i) Taxes on income derived from INTELSAT of any of the Signatories;**
- (ii) Design and development expenditure on launchers and launching facilities except expenditure incurred for the adaptation of launchers and launching facilities in connection with the design, development, construction and establishment of the INTELSAT space segment; and**
- (iii) The costs of representatives of Parties and Signatories incurred in attending meetings of the Assembly of Parties, of the Meeting of Signatories, of the Board of Governors or any other meetings of INTELSAT.**

Article 12. (AUDIT)

The accounts of INTELSAT shall be audited annually by independent auditors appointed by the Board of Governors. Any Signatory shall have the right of inspection of INTELSAT accounts

Article 13. (INTERNATIONAL TELECOMMUNICATION UNION)

In addition to observing the relevant regulations of the International Telecommunication Union, INTELSAT shall, in the design, development, construction and establishment of the INTELSAT space segment and in the procedures established for regulating the operation of the INTELSAT space segment and of the earth stations, give due consideration to the relevant recommendations and procedures of the International Telegraph and Telephone Consultative Committee, the International Radio Consultative Committee and the International Frequency Registration Board.

**Article 14.
(EARTH STATION APPROVAL)**

(a) Any application for approval of an earth station to utilize the INTELSAT space segment shall be submitted to INTELSAT by the Signatory designated by the Party in whose territory the earth station is or will be located or, with respect to earth stations located in a territory not under the jurisdiction of a party, by a duly authorized telecommunications entity.

(b) Failure by the Meeting of Signatories to establish general rules, pursuant to subparagraph (b) (v) of Article VIII of the Agreement, or the Board of Governors to establish criteria and procedures, pursuant to subparagraph (a) (vi) of Article X of the Agreement, for approval of earth stations shall not preclude the Board of Governors from considering or acting upon any application for approval of an earth station to utilize the INTELSAT space segment.

(c) Each Signatory or telecommunications entity referred to in paragraph (a) of this Article shall, with respect to earth stations for which it has submitted an application, be responsible to INTELSAT for compliance of such stations with the rules and standards specified in the document of approval issued to it by INTELSAT, unless, in the case of a Signatory which has submitted an application, its designating Party assumes such responsibility, with respect to all or some of the earth stations not owned or operated by such Signatory.

**Article 15.
(ALLOTMENT OF SPACE SEGMENT CAPACITY)**

(a) Any application for allotment of INTELSAT space segment capacity shall be submitted to INTELSAT by a Signatory or, in the case of a territory not under the jurisdiction of a Party, by a duly authorized telecommunications entity.

(b) In accordance with the terms and conditions established by the Board of Governors pursuant to Article X of the Agreement, allotment of INTELSAT space segment capacity shall be made to a Signatory or, in the case of a territory not under the jurisdiction of a Party, to the duly authorized telecommunications entity making the application.

(c) Each Signatory or telecommunications entity to, which an allotment has been made pursuant to paragraph (b) of this Article shall be responsible for compliance with all the terms and conditions established by INTELSAT with respect to such allotment, unless, in the case of a Signatory which has submitted an application, its designating Party assumes such responsibility for allotments made with respect to all or some of the earth stations not owned or operated by such Signatory.

**Article 16.
(PROCUREMENT)**

(a) All contracts relating to the procurement of goods and services required by INTELSAT shall be awarded in accordance with Article XIII of the Agreement, Article 17 of this Operating Agreement and the procedures, regulations, terms and conditions established by the Board of Governors pursuant to the provisions of the Agreement and this Operating Agreement. The services to which this Article refers are those provided by juridical persons.

(b) The approval of the Board of Governors shall be required before:

(i) The issuing of requests for proposals or invitations to tender for contracts which are expected to exceed 500,000 U.S. dollars in value,

(ii) The awarding of any contract to a value exceeding 500,000 U.S. dollars

(c) In any of the following circumstances, the Board of Governors may decide to procure goods and services otherwise than on the basis of responses to open international invitations to tender:

(i) Where the estimated value of the contract does not exceed 50,000 U.S. dollars or any such higher amount as the Meeting of Signatories may decide in the light of proposals by the Board of Governors;

(ii) Where procurement is required urgently to meet an emergency situation involving the operational viability of the INTELSAT space segment;

(iii) Where the requirement is of a predominantly administrative nature best suited to local procurement; and

(iv) Where there is only one source of supply to a specification which is necessary to meet the requirements of INTELSAT or where the sources of supply are so severely restricted in number that it would be neither feasible nor in the best interest of INTELSAT to incur the expenditure and time involved in open international tender, provided that where there is more than one source they will all have the opportunity to bid on an equal basis.

(d) The procedures, regulations, terms and conditions referred to in paragraph (a) of this Article shall provide for the supply of full and timely information to the Board of Governors. Upon request from any Governor, the Board of Governors shall be able to obtain, with respect to all contracts, any information necessary to enable that Governor to discharge his responsibilities as a Governor.

Article 17. (INVENTIONS AND TECHNICAL INFORMATION)

(a) INTELSAT, in connection with any work performed by it or on its behalf, shall acquire in inventions and technical information those rights, but no more than those rights, necessary in the common interests of INTELSAT and the Signatories in their capacity as such. In the case of work done under contract, any such rights obtained shall be on a non-exclusive basis.

(b) For the purposes of paragraph (a) of this Article, INTELSAT, taking into account its principles and objectives, the rights and obligations of the Parties and Signatories under the Agreement and this Operating Agreement and generally accepted industrial practices, shall, in connection with any work performed by it or on its behalf involving a significant element of study, research or development, ensure for itself:

(i) The right without payment to have disclosed to it all inventions and technical information generated by work performed by it or on its behalf;

(ii) The right to disclose and have disclosed to Signatories and others within the jurisdiction of any Party and to use and authorize and have authorized Signatories and such others to use such inventions and technical information:

(A) Without payment, in connection with the INTELSAT space segment and any earth station operating in conjunction therewith, and

(B) For any other purpose, on fair and reasonable terms and conditions to be settled between Signatories or others within the jurisdiction of any Party and the owner or originator of such inventions and technical information or any other duly authorized entity or person having a property interest therein.

(c) In the case of work done under contract, the implementation of paragraph (b) of this Article shall be based on the retention by contractors of ownership of rights in inventions and technical information generated by them.

(d) INTELSAT shall also ensure for itself the right, on fair and reasonable terms and conditions, to disclose and have disclosed to Signatories and others within the jurisdiction of any Party, and to use and authorize and have authorized Signatories and such others to use, inventions and technical information directly utilized in the execution of work performed on its behalf but not included in paragraph (b) of this Article, to the extent that the person who has performed such work is entitled to grant such right and to the extent that such disclosure and use is necessary for the effective exercise of rights obtained pursuant to paragraph (b) of this Article.

(e) The Board of Governors may, in individual cases, where exceptional circumstances warrant, approve a deviation from the policies prescribed in subparagraph (b) (ii) and paragraph (d) of this Article where in the course of negotiations it is demonstrated to the Board of Governors that failure to deviate would be detrimental to the interests of INTELSAT and, in the case of subparagraph (b) (ii), that adherence to these policies would be incompatible with prior contractual obligations entered into in good faith by a prospective contractor with a third party.

(f) The Board of Governors may also, in individual cases, where exceptional circumstances warrant, approve a deviation from the policy prescribed in paragraph (c) of this Article where all of the following conditions are met:

(i) It is demonstrated to the Board of Governors that failure to deviate would be detrimental to the interests of INTELSAT,

(ii) It is determined by the Board of Governors that INTELSAT should be able to ensure patent protection in any country, and

(iii) Where, and to the extent that, the contractor is unable or unwilling to ensure such protection on a timely basis.

(g) In determining whether and in what form to approve any deviation pursuant to paragraphs (e) and (f) of this Article, the Board of Governors shall take into account the interests of INTELSAT and all Signatories and the estimated financial benefits to INTELSAT resulting from such deviation.

(h) With respect to inventions and technical information in which rights were acquired under the Interim Agreement and the Special Agreement, or are acquired under the Agreement and this Operating Agreement other than pursuant to paragraph (b) of this Article, INTELSAT, to the extent that it has the right to do so, shall upon request:

(i) Disclose or have disclosed such inventions and technical information to any Signatory, subject to reimbursement of any payment made by or required of INTELSAT in respect of the exercise of such right of disclosure;

(ii) Make available to any Signatory the right to disclose or have disclosed to others within the jurisdiction of any Party and to use and authorize or have authorized such others to use such inventions and technical information:

(A) Without payment, in connection with the INTELSAT space segment or any earth station operating in conjunction therewith, and

(B) For any other purpose, on fair and reasonable terms and conditions to be settled between Signatories or others within the jurisdiction of any Party and INTELSAT or the owner or originator of such inventions and technical information or any other duly authorized entity or person having a property interest therein, and subject to reimbursement of any payment made by or required of INTELSAT in respect of the exercise of such rights.

(i) To the extent that INTELSAT acquires the right pursuant to subparagraph (b) (i) of this Article to have inventions and technical information disclosed to it, it shall keep each Signatory which so requests informed of the availability and general nature of such inventions and technical information. To the extent that INTELSAT acquires rights pursuant to the provisions of this Article to make inventions and technical information available to Signatories and others in the jurisdiction of Parties, it shall make such rights available upon request to any Signatory or its designee.

(j) The disclosure and use, and the terms and conditions of disclosure and use, of all inventions and technical information in which INTELSAT has acquired any rights shall be on a non-discriminatory basis with respect to all Signatories and their designees

Article 18. (LIABILITY)

(a) Neither INTELSAT nor any Signatory, in its capacity as such, nor any director, officer or employee of any of them nor any representative to any organ of INTELSAT acting in the performance of their functions and within the scope of their authority, shall be liable to, nor shall any claim be made against any of them by, any Signatory or INTELSAT for loss or damage sustained by reason of any unavailability, delay or faultiness of telecommunications services provided or to be provided pursuant to the Agreement or this Operating Agreement.

(b) If INTELSAT or any Signatory, in its capacity as such, is required, by reason of a binding decision rendered by a competent tribunal or as a result of a settlement agreed to or concurred in by the Board of Governors, to pay any claim, including any costs and expenses associated therewith, which arises out of any activity conducted or authorized by INTELSAT pursuant to the Agreement or to this Operating Agreement, to the extent that the claim is not satisfied through indemnification, insurance or other financial arrangements, the Signatories shall, notwithstanding any ceiling established by or pursuant to Article 5 of this Operating Agreement, pay to INTELSAT the amount

unsatisfied on such claim in proportion to their respective investment shares as of the date the payment by INTELSAT of such claim is due.

(c) If such a claim is asserted against a Signatory, that Signatory, as a condition of payment by INTELSAT of the claim pursuant to paragraph (b) of this Article, shall without delay provide INTELSAT with notice thereof, and shall afford INTELSAT the opportunity to advise and recommend on or to conduct the defense or other disposition of the claim and, to the extent permitted by the law of the jurisdiction in which the claim is brought, to become a party to the proceeding either with such Signatory or in substitution for it

**Article 19
(BUY-OUT)**

(a) Consonant with the provisions of Articles IX and XV of the Interim Agreement, the Board of Governors shall, as soon as practicable and not later than three months after entry into force of this Operating Agreement, determine, in accordance with paragraph (d) of this Article, the financial status in relation to INTELSAT of each signatory to the Special Agreement for which, in its capacity as a State, or for whose State the Agreement, on its entry into force, had neither entered into force nor been applied provisionally. The Board of Governors shall notify each such signatory in writing of its financial status and the rate of interest thereon. This rate of interest shall be close to the cost of money in world markets.

(b) A signatory may accept the assessment of its financial status and the rate of interest as notified pursuant to paragraph (a) of this Article or as may otherwise have been agreed between the Board of Governors and this signatory. INTELSAT shall pay to such signatory, in U.S. dollars or in another currency freely convertible into U.S. dollars, within ninety days of such acceptance, or within such greater period as may be mutually agreed, the amount so accepted, together with interest thereon from the date of entry into force of this Operating Agreement to the date of payment.

(c) If there is a dispute between INTELSAT and a signatory as to the amount or the rate of interest, which cannot be settled by negotiation within the period of one year from the date of notification pursuant to paragraph (a) of this Article, the amount and rate of interest notified shall remain the standing offer by INTELSAT to settle the matter, and the corresponding funds shall be set aside at the disposal of such signatory. Provided that a mutually acceptable tribunal can be found, INTELSAT shall refer the matter to arbitration if the signatory so requests. Upon receipt of the decision of the tribunal, INTELSAT shall pay to the signatory the amount decided by the tribunal in U. S. dollars or in another currency freely convertible into U. S. dollars.

(d) For the purpose of paragraph (a) of this Article, the financial status shall be determined as follows:

(i) Multiply the final quota held by the signatory pursuant to the Special Agreement by the amount established from the valuation effected pursuant to paragraph (b) of Article 7 of this Operating Agreement as of the date of entry into force of this Operating Agreement; and

(ii) From the resulting product deduct any amounts due from that signatory as of the date of entry into force of this Operating Agreement.

(e) No provision of this Article shall:

(i) Relieve a signatory described in paragraph (a) of this Article of its share of any obligations incurred by or on behalf of the signatories to the Special Agreement collectively as the result of acts or omissions in the implementation of the Interim Agreement and the Special Agreement prior to the date of entry into force of this Operating Agreement; or

(ii) Deprive such a signatory of any rights acquired by it, in its capacity as such, which would otherwise continue after the termination of the Special Agreement and for which the signatory has not already been compensated pursuant to the provisions of this Article.

**Article 20.
(SETTLEMENT OF DISPUTES)**

(a) All legal disputes arising in connection with the rights and obligations under the Agreement or this Operating Agreement between Signatories with respect to each other, or between INTELSAT and a Signatory or Signatories, if not otherwise settled within a reasonable time, shall be submitted to arbitration in accordance with the provisions of Annex C to the Agreement.

(b) All such disputes arising between a Signatory and a State or telecommunications entity which has ceased to be a Signatory, or between INTELSAT and a State or telecommunications entity which has ceased to be a Signatory, and which arise after such State or telecommunications entity ceased to be a Signatory, if not otherwise settled within a reasonable time, shall be submitted to arbitration, and may be submitted to arbitration in accordance with the provisions of Annex C to the Agreement provided the disputants in any given dispute so agree. If a State or telecommunications entity ceases to be a Signatory after an arbitration in which it is a disputant has commenced, such arbitration shall be continued and concluded in accordance with the provisions of Annex C to the Agreement, or, as the case may be, with the other provisions under which the arbitration is being conducted.

(c) All legal disputes arising in connection with agreements or contracts that INTELSAT may conclude with any Signatory shall be subject to the provisions on settlement of disputes contained in such agreements or contracts. In the absence of such provisions, such disputes, if not otherwise settled within a reasonable time, shall be submitted to arbitration in accordance with the provisions of Annex C to the Agreement.

(d) If upon entry into force of this Operating Agreement, any arbitration is in progress pursuant to the Supplementary Agreement on Arbitration dated June 4, 1965, the provisions of that Agreement shall remain in force with respect to such arbitration until its conclusion. If the Interim Communications Satellite Committee is a party to any such arbitration, INTELSAT shall replace it as a party.

**Article 21
(WITHDRAWAL)**

(a) Within three months after the effective date of withdrawal of a Signatory from INTELSAT pursuant to Article XVI of the Agreement, the Board of Governors shall notify the Signatory of the evaluation by the Board of Governors of its financial status in relation to INTELSAT as of the effective date of its withdrawal and of the proposed terms of settlement pursuant to paragraph (c) of this Article.

(b) The notification pursuant to paragraph (a) of this Article shall include a statement of:

(i) The amount payable by INTELSAT to the Signatory, calculated by multiplying the investment share held by the Signatory as of the effective date of its withdrawal by the amount established from a valuation effected pursuant to paragraph (b) of Article 7 of this Operating Agreement as of that date;

(ii) Any amounts to be paid by the Signatory to INTELSAT, pursuant to paragraph (g), (i) or (k) of Article XVI of the Agreement, representing its share of capital contributions for contractual commitments specifically authorized prior to the receipt by the appropriate authority of notice of its decision to withdraw or, as the case may be, prior to the effective date of its withdrawal, together with the proposed schedule for the payments to meet the said contractual commitments; and

(iii) Any amounts due from the Signatory to INTELSAT as of the effective date of its withdrawal.

(c) The amounts referred to in subparagraphs (b) (i) and (b) (ii) of this Article shall be repaid by INTELSAT to the Signatory over a period of time consistent with the period over which other Signatories will be repaid their capital contributions, or over such lesser period as the Board of Governors may consider appropriate. The Board of Governors shall determine the rate of interest to be paid to or by the Signatory in respect of any amounts which may, from time to time, be outstanding for settlement.

(d) In its evaluation pursuant to subparagraph (b) (ii) of this Article, the Board of Governors may decide to relieve the Signatory in whole or in part of its responsibility for contributing its share of the capital contributions necessary to meet both contractual commitments specifically authorized and liabilities arising from acts or omissions prior to the receipt of notice of withdrawal or, as the case may be, prior to the effective date of withdrawal of the Signatory pursuant to Article VI of the Agreement.

(e) Except as may be decided by the Board of Governors pursuant to paragraph (d) of this Article, no provision of this Article shall:

(i) Relieve a Signatory referred to in paragraph (a) of this Article of its share of any non-contractual obligations of INTELSAT arising from acts or omissions in the implementation of the Agreement and the Operating Agreement prior to the receipt of notice of its decision to withdraw or, as the case may be, prior to the effective date of its withdrawal; or

(ii) Deprive such a Signatory of any rights acquired by it, in its capacity as such, which would otherwise continue after the effective date of its withdrawal, and for which the Signatory has not already been compensated pursuant to the provisions of this Article.

Article 22. (AMENDMENTS)

(a) Any Signatory, the Assembly of Parties or the Board of Governors may propose amendments to this Operating Agreement. Proposed amendments shall be submitted to the executive organ, which shall distribute them promptly to all Parties and Signatories.

(b) The Meeting of Signatories shall consider each proposed amendment at its first ordinary meeting following its distribution by the executive organ, or at an earlier extraordinary meeting convened in accordance with the provisions of Article VIII of the Agreement, provided that the proposed amendment has been distributed by the executive organ at least ninety days before the opening date of the meeting. The Meeting of Signatories shall consider any views and recommendations which it receives from the Assembly of Parties or the Board of Governors with respect to a proposed amendment.

(c) The Meeting of Signatories shall take decisions on each proposed amendment in accordance with the provisions relating to quorum and voting contained in Article VIII of the Agreement. It may modify any proposed amendment, distributed in accordance with paragraph (b) of this Article, and may also take decisions on any amendment not so distributed but directly consequential to a proposed or modified amendment.

(d) An amendment which has been approved by the Meeting of Signatories shall enter into force in accordance with paragraph (e) of this Article after the Depositary has received notice of approval of the amendment from either:

(i) Two-thirds of the Signatories which were Signatories as of the date upon which the amendment was approved by the Meeting of Signatories, provided that such two-thirds include Signatories which then held at least two-thirds of the total investment shares; or

(ii) A number of Signatories equal to or exceeding eighty-five per cent of the total number of Signatories which were Signatories as of the date upon which the amendment was approved by the Meeting of Signatories, regardless of the amount of investment shares which such Signatories then held.

Notification of the approval of an amendment by a Signatory shall be transmitted to the Depositary by the Party concerned, and such a notification shall signify the acceptance by the Party of such amendment.

(e) The Depositary shall notify all the Signatories as soon as it has received the approvals of the amendment required by paragraph (d) of this Article for the entry into force of an amendment. Ninety days after the date of issue of this notification, the amendment shall enter into force for all Signatories, including those that have not yet approved it and have not withdrawn from INTELSAT.

(f) Notwithstanding the provisions of paragraphs (d) and (e) of this Article, an amendment shall not enter into force later than eighteen months after the date it has been approved by the Meeting of Signatories.
