MEMORANDUM FOR DISTRIBUTION

FROM: JEFF HOFGARD 

SUBJECT: Orbital Debris Roll-Out

The Orbital Debris report is complete and you may obtain your copy from Cynthia Chase (456-6031). The report is embargoed until it is released by the NSTC press office. We expect that to happen on Wednesday, February 28. Also, enclosed for your use is a set NASA talking points on the report.

Once the report has been released, I will convene by separate memo a follow-up meeting with the agencies principally responsible for implementation of the recommendations.

Thank you again for your participation.
